

Ranaviru Fund

Trustees' Report 2013/2014

Trustees of the Ranaviru Fund have the pleasure of producing this report for the Financial Year 2013-2014.

A total of £3,239 carried forward from the financial year 2012/2013.

A total of £37 received as donations during this year with an addition of £1 received as bank interest.

During the financial year the Charity has not invested in any charitable activities.

During the financial year the Charity has not invested any funds in particular from its reserves. The main reason for this was there were sufficient funds available to utilise in ongoing projects in Sri Lanka. Funds previously transferred from the UK reserves were carefully invested as a matter that the charity has seen a significant drop of sustainable donations in the UK it receive.

At the end of the financial year 2013/2014 a total of £3,277 retained in the Charity's bank account.

Every possible measure has been taken by the Trustees of the charity to minimise the administrative costs and other operational costs of the charity to a minimum. It is our pleasure to state that such costs are nil in this financial year as well.

Charity Trustees would like to thank and extend their warmest gratitude to everyone who supported the charity and its causes in numerous ways.

Yours faithfully,

Dharmika Siripala
