1. Introduction

With the success of 'Gel Sock Project' Phase one, a group of friends from England volunteered to join hands with 'Ranaviru Fund' and commence fund raising for the second phase. Within a period of three weeks we were able to raise £1660 and immediately placed an order with Silipos UK. We were able to purchase 150 Ultra Cushion Gel Liners from sizes 2&3 @ £11.085 per sock. Further contributions worth £90 were received from patriots and immediately utilized to purchase 15 talking watches @£ 5.75 each.

2. Purchase of Gel Socks

Although the initial estimate of a Gel Sock was £35 each, we inquired following Manufacturers for quotations.

Manufacturer	Contact	Prices Quoted with VAT (in £) for each Variation				Samples
		Single Liner	Double Liner	Dura Gel Sock	Ultra Cushion	
Silipos, UK	Direct contact	19.26	34.77	-	13.08	6
OttoBock, Germany	Direct contact	44.72	70.88	30.08	-	0
OttoBock, India	Direct contact	-	-	30.71	-	0
Endolite, India	Direct contact	41.89	77.02	-	-	0
Ossur, Sweden	Direct contact	Did not provide a Quotation	77.02	-	-	0

Based on the prices received from 5 different suppliers we decided to place the order for 150 Ultra Cushion Gel Liners with Silipos UK. Further to that Ms Lindsey Robins, the Sales Manager at Silipos UK was very pleased to offer us a further 10% discount (appx £195) from the final bill.

3. Delivery to Sri Lanka & Handing over to Ranaviru sevena

Both Gel socks and watches were shipped to Colombo where Mr T Jagathsiri was due to collect and hand over the goods to 'Ranaviru sevena'. There was no shipping cost as Tryco LTD offered their service free of charge. Mr Jagathsiri transferred the custody of the goods to Brigadier Dr (Mrs) S Varusavithana as the shipment didn't arrive in Colombo during his stay in the country. Later, 'Ranaviru Sevena' confirmed and acknowledged receiving of Gel Socks and Watches.

4. Thank you!

Your contributions were invaluable for us to complete the second phase. Our brothers and sisters at the 'Ranaviru sevena' appreciate your gratitude more than you possibly could imagine. Thank you.
